Overall Tutorial Planner

Course title and code:

Level:

Tutorial Goals (aim for 3 to 5):

1) _____
2) _____
3) _____
4) _____
5) _____

Overall Tutorial Learning Outcomes (aim for 5 to 10):

1) _____
2) _____
3) _____
4) _____
5) _____
6) _____
7) _____
8) _____
9) _____
10) _____

How will this expected tutorial learning outcome be assessed in the tutorial? What methods will your TAs use to measure students' mastery of this tutorial learning outcome?	When will this expected tutorial learning outcome be assessed? (List prospective dates for each of the assessment techniques listed in the first column.)	If these assessments show deficiencies in students' mastery of this expected tutorial learning outcome, what are your plans for improving student learning related to this outcome?
